**Hiro**  
Engineer

With a passion for connecting the digital dots, Ryo is the driving force behind our technological endeavors. His expertise ensures that our systems run seamlessly, enabling us to harness the full potential of cutting-edge technology to serve you better

**Max**  
CEO

With an extensive background in real estate sales and a comprehensive understanding of every facet of construction, house-making, real estate, redecoration, and even plumbing, he's a true all-rounder in the industry. His leadership extends beyond our organization as he has proudly served as the Chairman of the Rotary Club in Niiza City, establishing deep-rooted connections within our beloved community

**Cass**  
Designer

As a multifaceted marketer, designer, and color coordinator, she brings a unique blend of artistry and strategy to our projects. Luna's keen eye for aesthetics and her knack for visual storytelling breathe life into our brand and ensure that every detail is meticulously crafted to leave a lasting impression.
